- Provide mental health intake and assessments for Wally's House clients.
- Develop treatment plans and provide trauma-focused evidence-based therapy to children and adolescents.
- Engage families and/or caregivers as active members of the trauma treatment process. Coordinate with other professionals to work towards the child's best interest emotionally, physically, and educationally.
- Provide crisis intervention when appropriate.
- Facilitate therapeutic groups for youth and non-offending parents.
- Follow evidence-based therapy modalities to fidelity.
- Lead and participate in peer review and peer consultation.
- Work with therapists and organizations that Wally's House has linkage agreements with, both urban and rural, to ensure that prompt, high-quality care is accessible to Wally's House clients throughout Curry County.
- Participate in ongoing education and conferences; stay current on evidence-based treatment models and practices; ensure mental health programming meets National Children's Alliance Standards for Accredited Members.
- Build and maintain positive and collaborative relationships with community partners.
- Provide and promote management and clinical expertise in multidisciplinary team meetings and policy development.
- Provide professional training, as needed, within the context of Wally's House's training and technical assistance services. Implement and coordinate special projects as needed.

- Provide input and data for organizational reports and grant documents.
- Testify in court as necessary.
- Participate in the evaluation of individual and team functioning, actively works towards team goals and objectives.
- Follow Wally's House policies, procedures, and protocols.
- Uphold Wally's House mission, vision, and values.
- Accountable to HIPAA standards (or more stringent standards set forth by state law or as developed by Wally's House) for client privacy and confidentiality. Other duties as assigned.
